

HOT LUNCH PAYMENTS AND BALANCE NOTIFICATIONS

TADS is a PAYMENT ONLY program, it does not reflect your student's balance. The monies that are deposited into TADS are transferred to our POS (point of sale) program in PAYSCHOOLS. This is where the daily lunch charges happen and the balance is reduced. E-mails will be sent each week to any account that has a balance of \$15.00 or less. This is your notification to add money into your students account. This process can be done through your TADS account or by sending a check or cash to school.

To check your students lunch account balance or if you have any questions please e-mail me at reneebergo@gsgvschool.org.
